

## **GAS CUSTOMERS TO GET BACK OVER \$1 MILLION**

INDIANAPOLIS, Aug. 9 (UP)—  
Officials of the Indiana Gas and  
Water company said today that  
many of its customers would ben-  
efit in a refund of more than  
\$1,000,000.

The refunds were the result of  
a court order issued three years  
ago requiring the Panhandle East-  
ern pipe line to reduce rates to  
its wholesale customers.

The Indiana Gas and Water  
company and its predecessor com-  
pany waived any claim to the re-  
fund. It instructed the court to  
pay \$1,120,703 directly to its pa-  
trons.

The company said the money  
would be refunded in some 91,370  
checks.
