

# Plan Gas Line Near Franklin

INDIANAPOLIS (UPI)—Indiana Gas & Water Co., Inc., announced today it plans to begin construction early next month of a natural gas transmission line from Franklin to Greenwood, Whiteland and New Whiteland.

The utility said it has been granted franchises to serve the three communities and expects to provide gas service to about 500 customers by the end of the year and about 4,000 by 1965 in a \$2 million program.
