Niel Ellerbrook, chairman and CEO of Vectren Corp., described Wednesday as "sort of bittersweet."

Niel Ellerbrook

Ellerbrook, 61, announced he will retire May 31 as CEO of the company he has led since its founding in March 2000.

Carl Chapman

Carl Chapman, 54, Vectren's president and chief operating officer, was announced as the company's next CEO, chosen through the company's succession planning process.

Ellerbrook will serve as the company's non-executive
